Dear Samuel A Sobrino:

Congratulations! The New York State Department of Economic Development, Division of Minority and Women's Business Development (DMWBD) has completed its review of your application for State Certification as a **Minority Business Enterprise (MBE)**. We have determined that your firm meets eligibility requirements for certification, pursuant to New York State Executive Law, Article 15-A.

On behalf of DMWBD, we are pleased to inform you that the firm of **Sobrino Enterprise LLC** has been granted status as a **Minority Business Enterprise (MBE)**. In our effort to help you have the broadest possible reach, your business will be listed in the New York State Directory of Certified Firms with the codes listed on the following page. Your firm's New York State Minority-and Women-owned Business Enterprise ("MWBE") Certification can be accessed through the New York State Contract System. Additional details on how to view the Certificate are available on the next page of this letter.

Please be advised that your certification expires 5 years from the date of this letter or unless you are contacted by DMWBD for recertification. We will notify you when your company should submit its application for recertification.

Please note that any changes in your business that affect ownership, and/or managerial and/or operational control must be reported to DMWBD within thirty (30) days of such changes. These include changes to company name, business address, email address, telephone numbers, principal products/services, and bonding capacity.

Certification status is not intended to imply that the State of New York guarantees your business's capability to perform on State contracts, nor does it imply that your company is guaranteed any State business.

If your certification is questioned by any public or private entity, please direct the inquiry to DMWBD's dedicated Customer Care team for clarification at (212)-803-2414 or MWBEcertifcation@esd.ny.gov.

On behalf of the State of New York, we wish you success in your business endeavors.

Sincerely,

Certification Unit
